

STREAK-FREE WINDOWS

SAFETY INSTRUCTION CARD MAY

BEFORE YOU START

- ✓ Remove objects from the window sill.
- ✓ Hang curtains aside.
- ✓ Protect the surface by means of a mop.

- ✓ Provide sufficient working space.
- ✓ If necessary, put your bucket on a stool or step so you don't have to bend over as much.

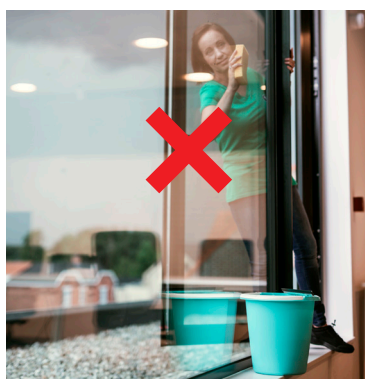

- ⚠ Do not work in sun, rain or freezing temperatures.

SAFETY FIRST

- ✓ Use a step stool or safe stepladder with handle or support bar, max. 3 steps, non-slip feet and non-slip treads. Do not use damaged ladders.
- ⚠ Do not use chemical glass cleaner or vinegar.
- ⚠ Do not stand on a chair, table, or radiator.

- ⚠ Don't hang out the window or stand on windowsills.

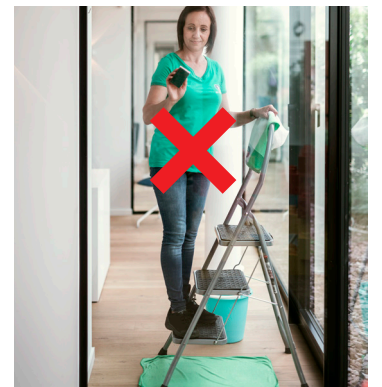

STREAK-FREE TIPS

- ✓ Always use clean water.
- ✓ Use detergent and dispense correctly.

- ✓ Use a sponge or scrubber, do not use a scouring pad.

- ✓ Clean the frames of the windows with a damp cloth.
- ✓ Remove leakage streaks with a dry cloth.
